

## Richard J. Bailey Students Master Gardening Skills

Richard J. Bailey School's fourth-grade students were invited by Greenburgh Town Supervisor Paul Feiner to participate in the Gardening at Hartsbrook Master Gardeners Program in October. Richard J. Bailey is in the Greenburgh School District.

Students made three visits to the Hartsbrook Gardens to learn about the history of the gardens, as well as the purpose the gardens now serve. The program supports the grade 4 science curriculum and is sponsored by Cornell Cooperative Extension. Through hands-on projects, the students learned about the importance of vegetables in the diet. They also became aware of community service projects and their importance, since all produce that is harvested from the gardens is given to the Grace Church Pantry in White Plains.
